EXPERTISE

Bronson has over thirteen years of foodservice facility design experience. He began his career working under legendary foodservice designer Jim Webb at his studio in Tustin, CA. He joined the RDG team in early 2015 and is based out of his hometown of Toledo, Ohio.

Bronson has extensive experience across a variety of market sectors including Primary Education (K-12), higher Education, and Healthcare. His attention to detail, his endless patience, and his willingness to share and teach make him an invaluable member of the RDG Team.
